

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. §1.312 is respectfully requested since it does not add any new matter or require further consideration and/or search. More specifically, the amendment to line 2 of dependent Claim 14 was made to correct a typographical informality noted therein by deleting the term or expression “means” after “floor information display” since the expression “floor information display” is recited on line 5 of independent Claim 7 from which Claim 14 depends. The typographical informality in Claim 14 was discovered by applicant’s attorney during a post allowance review of the application and the applicant’s attorney has been diligent in correcting the informalities that he has become aware of.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
